BIRDS IN THE BUSINES

By Charles L. Pollinski

Since this is strictly "turkey talk," I thought it best to get the following information from Mr. Victor S. Janson, Pheasant Researcher. Mr. Janson is closely associated with the turkey program.

First of all I'd like to briefly review what the Department has done in the way of turkey stocking so far.

In 1954, about 200 wild turkeys were stocked in the Allegan State Forest in Allegan County. We felt this area had the best chance of success in Michigan since it contains over 100,000 acres of brush within the original Michigan turkey range. The area is traversed by the Kalamazoo River and Swan Creek and the bottom lands. No other wild turkeys have been released in this area since.

Has there been any other releases in the State since then? "Yes. In 1955, 1956, and 1957 releases of turkeys were made in several counties north of the original turkey range. About 200 turkeys had been released in Lake and Newaygo Counties. Also, in 1956 and 1957, an additional 140 turkeys were released in portions of Ogemaw, Roscommon, Clare and Gladwin Counties.

Are the birds reproducing? "At Allegan, where the 200 turkeys were stocked in 1954, the population is now estimated at 450 birds (all, 1958). These turkeys have gone through four nesting seasons so the annual increase has not been great. However, it has been steady. This flock appears to suffer rather constant annual losses of one-third, but year after year the population remains about the same.

In Lake and Newaygo Counties we estimate this winter's population at roughly 200 turkeys. Additional sightings have been made in Mason and Westford Counties. Is this the same species of bird which used to be in Michigan? "The species of turkey we have is Meleagris gallinapavo, the same of that originally inhabited southern Michigan."

Where did the Department get their bird supply from? "Our turkey and eggs all came from the Alleghany Turkey Farm, Julian, Pa. The eggs are from game farm hens mated to wild gobblers.

How much will these wild turkeys weigh Mr. Janson?

"Adult hens weigh up to 12 pounds—gobblers as much as 20 pounds."

Is there a possibility of turkey hunting in the near future? "Chances for restoring turkey shooting on a large scale in Michigan are remote. It might eventually be possible to have some type of restricted season in the Allegan Forest to remove the annual surplus in the event the area reaches its carrying capacity. We feel the turkeys are making some headway in Allegan County. In the northern areas they have raised several broods but their establishment still seems questionable."

It is rumored that the Conservation Department feeds these birds. Is this so? "Ordinarily we do not feed the turkeys. In the northern areas we have in some cases put out feeders to supplement the winter food supply or to entice turkeys away from farm yards where they are apt to become contaminated by poultry. We feel that any large scale artificial feeding program is not needed. Feasible some general flocks in Ogemaw County inspected this winter were feeding mostly on winter wheat and other grasses. The corn crop was very poor in much of this area."

Are there enough turkeys in Michigan now so that they can reproduce in a favorable manner? "Judging by the best information available, we feel adequate initial stocking has been made and we plan to let these birds 'make a go of it.' Roger Latham, formerly of the Pennsylvania Game Department, has spent some time here and has advised us."

The additional information is also supplied by Mr. Janson.

Winter 1958, Wild Turkey Population Estimates

Allegan District
223 turkeys were observed during the winter in 23 flocks compared to 144 last year in 24 flocks which represents a 35 percent increase from winter of 1957-58. Turkeys fed mostly on greenbrier, white-pine needles, moss and lichen, and green vegetation around springs and streams. The flock appears to be coming through the winter in good condition.

Baldwin District
Estimated to be about 200 birds compared to 150 last year for a 25 percent increase. Artificial feeding stations have been provided for some of the 10 turkey flocks known to be in this area. Turkeys appeared in good condition at the end of January. A combination of a limited natural food supply and severe winter weather is expected to provide a rugged test for wild turkeys in this district.

Mio District
Estimated in late December at 130 birds in several flocks—almost twice as many as in the winter of 1957-58. Most of these turkeys are in Ogemaw County, some in Oscoda County along the AuSable River, and one flock of about 20 turkeys in Isosco County. Shortage of winter food is definitely a critical factor in this area, especially with the poor corn crop this year. Feeding stations were maintained for some of these flocks, partially to entice the turkeys away from buildings.

Gladwin District
Three flocks have been located totaling about 40 turkeys, all in Clare County. One flock is near Temple and two in the vicinity of Lake George.

SUN LIFE OF CANADA

Summary—The total late winter, 1959, turkey population is estimated at 600 birds—25 percent more than a year ago. However, late winter mortality in the northern areas (as a result of severe weather conditions and a shortage of food supply) is very possible. Artificial feeding stations, maintained in some of the northern areas, helped to some extent to alleviate the shortage of natural foods.

"Thank you Mr. Victor S. Janson."

How Would You Create 100,000 Jobs A Year?

(From The Otsego County Herald Times By Neil Hercules)

"Prof." William Haber of the University of Michigan says that Michigan needs 100,000 jobs a year to keep up with the growing population; otherwise, there will be a mounting rate of unemployment there has been in the state.

It is interesting to figure out how to get industry to spend the billions needed to create these jobs. It is estimated that it costs about \$25,000 in capital expenditures for each job. That is about \$2 1/2 billion a year.

Now, just what incentive does industry in Michigan have to spend this much money in the future? Practically none.

It is an interesting case of parallels to see how Gov. Mennen Williams would create the jobs and how his probable opposing candidate, Paul Bagwell, would get a job done.

Gov. Williams would pass some more legislation, "an economic growth act", which among other things would allow for an annual report by the governor on the state's economic condition and the creation of a State Council of Economic Advisors.

Paul Bagwell would say that Michigan's business climate must be improved.

Which will you choose? Unless you make the right choice, regardless of politics, it will cost you money. Gov. Williams says that Michigan's economic climate is phony issue, but as a member of the Gaylord Industrial Development Corporation I can say that it is a phony issue. It is as real as the sun in the morning and a wart on your nose.

Our industrial group has had one very substantial industry so much as tell us that unless Michigan's attitude towards taxing industry more and more were stopped, it would not move its plant to Gaylord.

These industrialists place Michigan in a competitive position with other states in the Midwest. Unless Michigan can offer something more than adjoining states, these industrialists are not going to invest their money in Michigan.

Industry is afraid of the coalition of big organized labor and the Democratic party. They do not feel, generally, that they are paying more state taxes now than they should but they recognize that Michigan with the over alignment of big labor and a Democratic party, which increases in size faster than the Republican party, can spell a lot of trouble.

They do not like their treatment in worker compensation cases (where they don't stand a Chinaman's chance of a fair shake); they don't like the high unemployment tax and the chiselling that goes along with it and the ruling of the state supreme court always against industry.

They are extremely wary of what the tax picture would have been like today had the Democratic government also had a Democratic legislature to pass all the corporation taxes he wanted.

As substantial citizens of Michigan, they ask for fair treatment; they don't ask for a free ride. They want an understanding of their problems, not a deaf ear and shouts from the governor of "phony issue" when the question of favorable industrial climate is mentioned.

They don't want some phony government agency set up at more cost to taxpayers to give lip service to question they know nothing about and can do little about.

What they want is some assurance that Michigan won't be run in the next 10 years by the same band of liberals it has been during Williams regime.

They have held back on the normal expansion of their industry in Michigan because the Democratic party is growing and growing, and pushing and pushing to put the election of the state senate on a purely population basis. They fear the outcome, and rightly so. A party run by powerful organized labor interests will continue to be a hard thing to continue to live with.

And after all, a firm which builds a billion dollar business in Michigan expects to be here for a long time. We write this despite the claims of the Democratic business association and their "The Michigan Yearbook 1959." The publication is excellent but it still glosses over the big question facing Michigan today:

"How to throw the rascals out and get back to sound business, not the pipe dreams of self-appointed experts who don't even know what a profit and loss statement

Mr. E. W. Creque, Jr., Mr. and Mrs. L. E. Bryant of Flint, Mr. T. Young and William Taylor of Detroit are at the Creque cabin on the river deer hunting. Last year Mr. Creque shot her first buck and so is trying her luck again.

Herman Bohmet and son Kenneth of Lansing, and Del Turner of Charlotte, spent a few days here deer hunting, this week, staying at the cottage of the Williams Christensons. Mr. Turner took back a buck.

Mr. and Mrs. Emerson Belmont of St. Clair Shores, arrived Monday evening for a few days' visit at the William Love farm. The young couple just announced their marriage, which was solemnized in August. The groom is a son of Mr. and Mrs. Fred Belmont, formerly of Grayling.

James Lynch of Mt. Pleasant was a weekend guest of Mrs. Minnie Isenbauer.

Mrs. James Reynolds had as guests over the weekend Mr. and Mrs. Harry Raino and daughters Ruth and Betty, and Mr. and Mrs. Kenneth Raino of Detroit. Mr. and Mrs. Guy Reid and Mr. and Mrs. Owen Reid of Twinning, and Mr. and Mrs. Claude Reynolds and daughters Vera and Bertine of Muskegon.

Emmon Houghton is enjoying a week's hunting at West Branch. Guests at the home of Mr. and Mrs. Oscar Smith are the former's mother, Mrs. John Garbey of Ontario, and Mrs. Smith's mother, Mrs. Minnie Fales of Lansing. Roy Johnson Jr. of Detroit, and Ray Cook of Charlotte.

Francis and Henry LaGrow returned to Detroit Tuesday after visiting relatives here and enjoying deer hunting. Henry was fortunate enough to fill his license. They had with them George Hawkins and Ed Rudolph of Detroit and Andy Suzinski of Cleveland.

Lawrence Kessler and family have moved to Gaylord, where Mr. Kessler is the manager of the A. & P. Store.

The Saturday Contract club were guests of Mrs. Emil Giegling at a charming luncheon. Bronze bebe mums on a yellow table cover made a lovely table decoration. Mrs. Esbern-Hanson held high score for contract.

Arnold Plagens is here visiting his brother Bert Plagens and family, and doing some hunting.

Lewis Stillwagon left Saturday for Foley, Ala., where he has employment for the winter on Arnold Boutell's quail reserve. Mr. and Mrs. Stillwagon will leave soon after hunting season.

Local nimrods who showed their prowess along the deer hunting line by filling their licenses are as follows: Delbert Wheeler, Chris King and sons Eugene, Robert and Chris, Jr., Earl Brockett, Bill MacLeod, Carl Sherman, Sam Gust, James Bugby, Alva Stephan, James Post, Jr., Clyde Peterson, Otto Felling, Adolph Peterson, Neil Mathews, Harry Worden, Rolie Felling, Mrs. George Black, Napoleon VanNatter has proven himself some hunter. Last Sunday with his family he went over into Presque Isle County and was only in the woods a half hour or so when he killed a 500 pound bear, coming upon his prey 4 1/2 miles west of the state forest. Mrs. VanNatter and sons Dewey and Harold Coutts, the latter of Saginaw, accompanied him on the trip.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupel

PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars... and what they want most in their 1960 cars. Here's what the people tell us they want... and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full-Coach suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, untroubled way of going, from the solid thump of Chevy's big doors. Of course, if you should need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence on wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"I'm for a sweet-handling car." Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: value.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

R. L. D. S. News

The family night held at Grange Hall last Thursday, Nov. 12, was enjoyed by church members and friends. Following a tussle, the group topped with ice cream and home-made cider, the Zion's League furnished skits and Patricia Fowler led the group in folk songs.

The Women's Department planned a double surprise when the Thanksgiving Offering (Taken from the fund) was presented.

Grayling, Nov. 19, 1959

to Elder and Mrs. Roy Newberry along with a gift of beautiful sofa pillows for their home. Also a gift was presented to Elder Jay and Mrs. Dot for their new home.

Elder Ernest Burt, formerly of Onaway, living now at East Jordan, was the guest speaker on Sunday, Nov. 15. He blessed the infant son of Mr. and Mrs. Roy Benaway.

The Women's Department will meet next on December 3rd, the place to be announced later. Each one to bring a \$1.00 gift and a letter to the editor will be revealed.

BITS O' TALK

Warren Stephan got his back and baby of 3 on Sunday, near Lovell.

Mrs. Patrick Bryson and Mrs. Tom Wells drove to Pellston Tuesday last week to see the former's daughter, Mrs. Lloyd Lovvass, take the Worlby Matron's chair at O.E.S. installation ceremonies held that night.

Alvin Walker of Kalamazoo spent the opening day of deer season with his son Hal and Mrs. Walker. Hal accompanied his father home and took a plane to St. Louis, Mo., to spend the week at the National Bottlers' convention.

Smart start on Christmas shopping—a Wyler watch.

Bob Lovely of Central Michigan U. spent the weekend with his parents, the Richard Lovelys. Bob left Sunday for Bay City, where he will be practicing teaching for eight weeks at Grand High school. He will be rooming with Jim Klein, who teaches there and also at Flint J. C.

Steve Smith of CMU, Mt. Pleasant, arrived Friday evening to visit his parents, the Major Phil Smiths for the weekend, and to open the deer season on Sunday.

Mrs. Iva Tiller has been visiting her daughter, Mrs. Jack Trowbridge and family in Mesick, for several days last week.

John Czinder of Grand Haven arrived Saturday to spend a few days with his son and family, the Donald Czinder, while deer hunting.

Mr. and Mrs. Matt Bidwa visited her sister and family, the Frank Netkowskis, at Rogers City, the weekend of November 7th.

Mr. and Mrs. Gaylord Hallett, who are visiting her parents at home of his brother, the Marvin Halletts, this week.

Play Santa to the young folks of the family with a new nylon snow suit or pram suit from Tip Top Togs. Special 10% off on all outerwear for one week only.

While quite a lot of the townspeople were watching a basketball game last week on Wednesday, City Policeman Tony Buron was staging a roundup of some yearling steers which got loose from an Onaway cattle truck with a broken tail-gate which had stopped in the north end of town. The truck driver was also in on the chase, which took the two men up and down most of the streets in the north side before the escaped cattle were secured. They had assistance from Roy Lovely in the roundup, as well as from various persons encountered along the route. It took about an hour and a half to accomplish the mission.

Mr. and Mrs. John Ugo and children Nancy and John of Detroit arrived last weekend to spend several days visiting her parents, Mr. and Mrs. Robert Klein and sister, Carolyn. The men planned to deer hunt.

For his friends who may wish to write, Jim LaGrow has a new address. It is A/3c Jim LaGrow, A/1583895, 628 AC, W. St., Box 109, APO 701, Seattle Wash.

Don Hansen of Pontiac and other members of the Rocking Chair Ranch opened the deer season at the Ranch.

Grayling Students Attend Student Council Day

On Tuesday, November 10, five representative members from the Student Councils of fourteen Northern Michigan High Schools attended Student Council Day in Gaylord.

Group discussions in the morning included topics on Student activities, Fund Raising Activities, Student Discipline, Extra Curricular Activities, Boy-Girl Relations and Teacher-Student Relations. Sharon Renaud of Grayling, acting as secretary and made the report for the group that discussed student activities.

After lunch a panel of nine students moderated by Mr. Harry Travis, manager of W.A.T.C. radio station, discussed several topics including allowances, automobiles, dating, marriage, divorce, girl-boy relations, attending church, community organized activities, gangs and objectionable and desirable characteristics of adults, parents, teachers, community leaders, ministers and police. Linda Smock represented Grayling on the panel.

Many ideas were exchanged by the students and taken back to the schools attending.

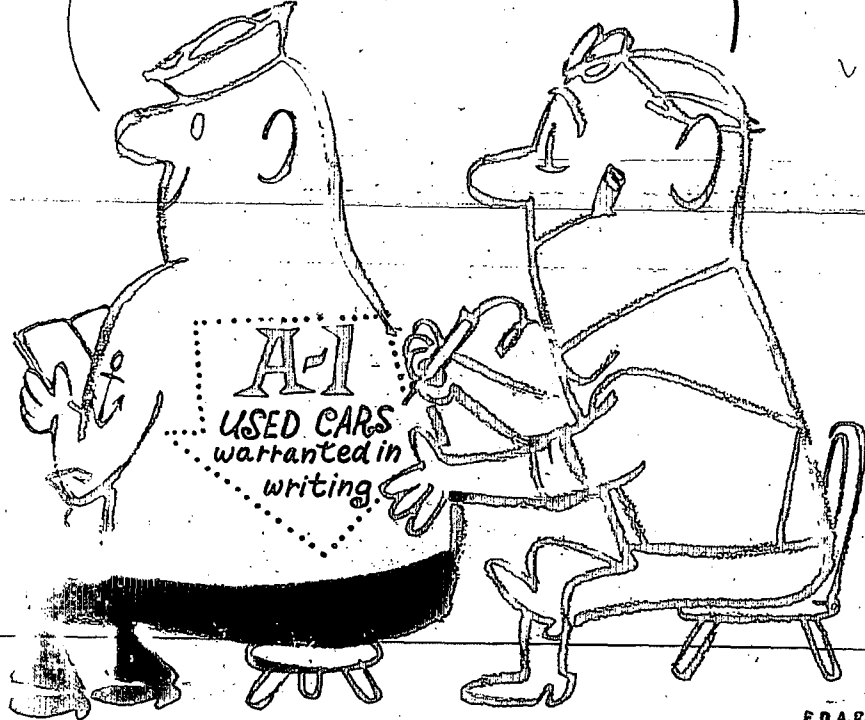

Council members who attended from Grayling High School were Sharon Renaud, Curt Smith, Linda Smock, Steve Sink, Mike Young and the Council Sponsor Mr. Bond.

Chamber of Commerce Minutes

Meeting of the Board, Crawford County Chamber of Commerce, October 8, 1959.
Members Present: Rochette, Jansen, Wolff, Johnson, Latuszek and Bond.

Members Absent: DuBois, Sorenson, Wood.
Guest: Clifford-Peterson.
Also Sports Car Program Committee Chairman, Clarence Holcomb.
Motion by Wolff and seconded by Rochette that the minutes of Crawford County Avalanche be accepted as read. All Ayes.
No treasurer report — Treasurer absent.
Discussion of the following:
1. Copies of the Chamber audit were distributed to the members of the Board. After explanation and explanation, there was a motion by Rochette and seconded by Bond that the audit of the Chamber's finances for the 1958-59 year be accepted as printed. All Ayes.
The board felt that from the last two years' audit, there should be a budget for this coming fiscal year set up to guide our expenditures.
Motion by Rochette and seconded by Wolff that a budget be made for this coming year. All Ayes.
2. A report was made of the publicity that had been done by the sports car people and the Chamber office.
3. The proposed sports car program for the coming year was reviewed, programs from other races were looked over and a decision was made that, for this race, a committee should limit themselves to a three or four page, mimeographed program and offer for sale for 25c. Mr. Holcomb is to gather the material and get it in shape. Clifford Peterson will handle the printing on his multi-lith.
4. Mr. Peterson proposed to the Board that they sponsor the beginning of an investment club with the idea that sometime in the future, when the fund is great enough, that this fund could be used, as collateral for an industrial development fund.
5. The Board was told of the proposed winter sports advertising plans being developed by Mr. Sullivan, President of the Grayling Winter Sports Park and the advertising representative of the magazine, Ski Time.
6. Motion by Latuszek and seconded by Johnson that the meeting be adjourned at 6:40 p. m.

Harold Hatfield, George Hatfield, and the former's sons, James, Warren, Roger and Hazen Hatfield of Kawkawin, left Thursday evening to spend ten days deer hunting in the Upper Peninsula.

Our apologies to Mrs. Theodore Stephan, who should have been given credit for the decorations at the church in the wedding account of Miss Deanne Herrick and John Stephan in last week's paper. Also a correction, that Deanne is the daughter of Mrs. Eric Post of Grayling and Mr. Gerald Herrick of Mt. Pleasant.

Mr. and Mrs. Fred Bear and Mrs. Charles Kroll returned Tuesday of last week from Grand Rapids, where they had spent a couple of days on business. Mrs. Kroll joined the Bears on Sunday, after they had been pheasant hunting for a few days at the Ferris farm at Perry, house guests of the Fred Watsons of Owosso.

Catholics In Bishops' Thanksgiving Clothing Campaign

Members of Catholic parishes in this area will participate in the eleventh annual Catholic Bishops' Thanksgiving Week Clothing Campaign. The Drive is conducted under the auspices of Catholic Relief Services of the National Catholic Welfare Conference in New York. This agency supervises the shipping of clothing to needy persons in more than 40 overseas countries.

The clothing campaign conducted last year by the American Bishops during Thanksgiving week, made it possible for the relief agency to send 13,000,000 pounds of clothing, bedding, shoes and other supplies, valued at approximately \$18 million to various areas of need. Adding this to the previous nine annual appeals, the total of wearable apparel contributed was approximately one hundred million pounds valued at \$125 million.

At Rev. Mr. Joseph C. Wagner, Director of Catholic Charities for the Diocese of Grand Rapids, has been designated by Bishop Allen J. Babcock to conduct the diocese-wide Drive. He has been in charge of this Campaign since its inception in 1948.

All pastors of the 125 parishes with their 52 missions have been requested to designate a depot where parishioners can bring discarded but useful clothing for the parish Drive. Trucking companies in the area are again this year doing transportation services to Grand Rapids and New York terminals.

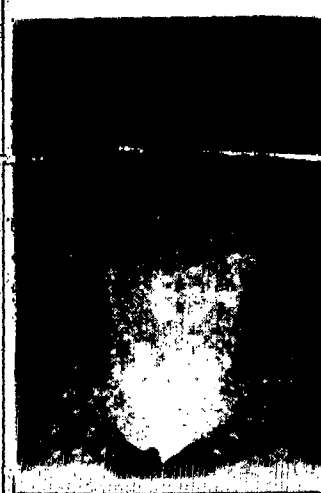

Miss Elaine Louise Rochette, daughter of Mr. Emilie Rochette and the late Lorretta Rochette, became the bride of Edwin H. Skinner, son of Mr. and Mrs. George F. Skinner, at 11 o'clock Nov. 17th. The double-ring ceremony was performed by the Reverend Father Joseph Sakowski.

White mums graced the altar. The bride was given in marriage by her father, Miss Greta Rasmussen was the organist accompanying the choir.

Miss Rochette chose for her wedding a floor-length gown of Schiffler embroidered nylon. The bodice was designed with a portrait neckline and long lace sleeves. The bouffant skirt was styled with alternating ruffles of nylon and net. Her finger-tip length veil was held in place by a Juliette cap of sequins. She carried a colonial bouquet of red carnations, centered with a white orchid.

Miss Marita Skinner, sister of the bridegroom, was maid of honor. She was gowned in a royal blue tulle dress and styled her hair in a tight

She carried a colonial bouquet of red carnations, centered with a white orchid.

Miss Marita Skinner, sister of the bridegroom, was maid of honor. She was gowned in a royal blue tulle dress and styled her hair in a tight

fitting bodice with a bow in front and a full skirt. She carried a colonial bouquet of red carnations and white pom-pom mums. Miss Ann Stamply was bridesmaid. She was dressed the same as Miss Skinner. Both wore matching flared short veils.

Mr. Richard Ames was best man and Mr. Gary Phipps served as usher.

An open house was held at the groom's home following the ceremony. The Misses Roberta and Myrna Skinner sisters of the groom, served the wedding cake.

For her son's wedding, Mrs. Skinner wore a yellow and gray suit with yellow accessories. She had a corsage of yellow roses.

The bride and groom were both 1959 graduates of Grayling High School. The groom is employed at the Grayling Agency.

For her going away ensemble, the bride wore a blue sheath with black patent accessories and a corsage of yellow roses.

Out of town guests here for the wedding, including the bridegroom's father, George Skinner, who is employed at Penwater, were from Detroit, Pontiac, Fredonia, Mt. Clemens, Gaylord and Traverse City.

Avalanche Offer TB Christmas Seals Now

The Avalanche office has volunteered to be the official Christmas Seal sales spot in Crawford County. Thousands of seals have been mailed to homes in our area, and they should have been delivered to your home by this time. If, for some reason, you have not received your Christmas Seals, the Avalanche would like to give you this chance to fight the disease that attacks one American every six minutes. Just drop in the office, and we'll be glad to see that you get your seals.

The citizens of Crawford County are reminded that not too many years ago tuberculosis was a death sentence. Christmas Seals have helped save 84 million lives since they first went on sale, but TB is still the leading killer of all infectious diseases.

If discovered, in time, TB can be cured today in a relatively short time — left undetected, it kills as efficiently as it always has. TB infects anyone. The young as well as the old are discovered everyday to have developed the terrible shadow in the lungs which was not there last year. So far in 1959 a little over 100 NEW cases are reported every week.

The tuberculosis associations use your money for research, case finding, health education, and many other activities which are making Crawford County a better place and a safer place to live.

The TB "bug" is characterized by a nature which has so far resisted all vaccines developed by scientists. Research has, however, resulted in better drug treatment and faster recovery, and an effective vaccine is still the ultimate goal.

Case finding and health education are the TB control measures that have helped keep this disease in check. These are essential parts of a program that needs to be on its guard at all times.

Christmas Seals are the only source of income which enables your TB association to carry on their work. Great progress has been made. The not impossible dream of eliminating TB from your life and the lives of your family needs your support.

Early Mailing

(Continued from Page 1)

wrap your packages in good heavy paper and tie with cord of strong twine so that they will reach their destination in good condition.

Write or print the address on one side only and place your return address in the upper left hand corner. Avoid the use of oiled or waxed paper for the outside wrapper. A card may be placed inside the parcel containing your name and address. A letter may be enclosed in the package if you mark on the outside "First class mail enclosed" and pay the rate for the letter plus the parcel post charge. Valuable packages should be insured. For proof of delivery of first class letter mail use certified mail.

Please keep the approach to your mail box clear of snow and other obstructions. If the road by your box cannot be cleared you are privileged to relocate the box temporarily in order that your mail can be delivered.

If you expect to receive large parcels, advise your carrier whether or the parcels are to be left outside the box, whether you will meet him to accept them, or whether you will call for them at the post office.

Any further questions regarding the proper preparation of Christmas mail should be taken up with either one of us. Our aim is to give the very best postal service we can. We strive to live up to the time honored tradition of "Service with a Smile." Suggestions for the improvement of the service will be appreciated.
